All guest and event packages being shipped to the hotel must follow the address label standards illustrated below to prevent package routing delays. Please schedule your shipment to arrive 3-4 days prior to event start date to avoid additional storage fees. Use the name of recipient who will be on-site to receive and sign for the package(s). Please do not ship any items to the attention of the Conference or Catering Manager unless the items are specifically for their use (e.g. rooming lists, signed documents).
