

LRIG

Upstate NY Laboratory Robotics Interest Group and the Center for Biotechnology and Interdisciplinary Studies at Rensselaer present

Tissue Engineering

Wednesday, November 6, 2013

3:30pm—8:30pm

CBIS at Rensselaer Center for Biotechnology and Interdisciplinary
Studies—Rensselaer Polytechnic Institute

15th St and College Ave. ,Troy, NY 12180 USA

Directions: <http://biotech.rpi.edu/index.php/about/visit-us>

**Featuring Dr. Lawrence Bonassar, Cornell and
Dr. Leo Q. Wan, Rensselaer**

Program 3:30—6:00 Exhibition and Poster Competition

4:00—5:00 CORE Tours

4:00—6:00 Complimentary dinner buffet

6:00—8:30 Technical Program

*****There is no charge for this event**

Poster Abstracts due by October 25th

Biographies

Dr. Bonassar joined Cornell University in 2003 after five years on the faculty of the Center for Tissue Engineering at the University of Massachusetts Medical School. He completed postdoctoral fellowships in the Orthopaedic Research Laboratory at the Massachusetts General Hospital and in the Center for Biomedical Engineering at the Massachusetts Institute of Technology. He currently serves on the editorial board of the journal *Tissue Engineering*.

Dr. Wan has a B.S. in Theoretical and Applied Mechanics and a M. Eng. degree in Fluid Mechanics from the University of Science and Technology of China (USTC), and a PhD in Biomedical Engineering from Columbia University, where he worked as a post-doc in stem cells and tissue engineering. He joined the Biomedical Engineering Department at the Rensselaer Polytechnic Institute as an assistant professor in 2011.

Visit our sponsors and exhibitors : Artel, Integra Biosciences, Perkin Elmer, Lauda-Brinkman, WuZenTech, LLC, Eppendorf, and more...
